Subject: Allianz-Johnston VT650 Quote

Tom -

I have everything compiled here. Attached is the HGAC quote and a VT650 specification page. The sweeper and chassis are under full manufacturer warranty. The unit also comes with sweeper parts/service/operators manuals. In addition to all the standard equipment, you will see all of the options listed on the HGAC quote page.

We will give you $34,000 for your 2004 Elgin Whirlwind on trade. If you decide to purchase the VT650, your PO will be issued to Allianz Sweeper Company. Sellers Equipment will issue you a check for your trade-in.

Keep in mind that some of the options your machine is quoted with are not currently on the demo machine. They will need to be added at the factory, so delivery will be delayed a bit. That should cover everything. If you have any questions, just let me know.

I appreciate the opportunity.

Jonny Richardson
