Re: Replay Lounge Liquor License

Please excuse my not being at the meeting in person, but I have a program conflict and will be at a youth meeting.

I want to stay true to what I personally believe as a pastor and what The Salvation Army believes in putting forth a protest about issuing a liquor license. We are a church that is located less than 400 feet from the Replay Lounge, and we house people who are getting off of alcohol. That close proximity may be just enough of a temptation to set some people back from what they have accomplished in their rehabilitation.

To the best of my knowledge, we have had no problems with the Replay Lounge up to this time.

I would like to pose a question to the Commissioners: What is/was the purpose of the ordinance as it is written?

I know you have a difficult decision to make. And, I thank you for your hard work on behalf of the citizens of Lawrence.

In God's Service,

  
Rich Forney  
Pastor/Administrator
