Re: 2005 Cured-In-Place-Pipe Project
Project No. 1105-01

Gentlemen:

Utility Maintenance Contractors, LLC requests a change order for the above referenced contract due to the difference in actual installed quantities of Cured-In-Place-Pipe (CIPP) and estimated plan quantities. The attached summary of quantities is an account of the actual lines receiving CIPP as directed by the City of Lawrence. The amount of the net additional CIPP work is \$ 32,895.86.

Please do not hesitate to contact me if you have any questions.

Respectfully,

Utility Maintenance Contractors, LLC
