RE: Furnishings - Fire and Medical Station No. 4 – Bid #B06009

Dear Mark:

Bids for furnishings for Fire Station No.4 were received on February 28, 2006. Bids from Spaces Inc. and Encompas contained irregularities. The Spaces bid form was not filled out or signed. Encompas qualified their bid on the final page of the bid from not enabling us to make price comparisons.

If you are in agreement that Spaces Inc. and Encompas bids to be rejected, it is our recommendation to award the contract with the next low bidder, Designed Business Interiors for the amounts as follows.

Designed Business Interiors (DBI)	A,B,C,D,E,F	\$21,161.58
-----------------------------------	-------------	-------------

Sincerely,

Bill Scott
