Date: February 27, 2006

RE: No Parking along Stewart Ave

Background:

Fire Medical Station No. 5 and Administration will be opening around April 1, 2006. Currently there is "No Parking" along the East side of Stewart Ave from 19th Street south to 21st Street. There will be an increase in large vehicle traffic from both fire apparatus and bus service.

Analysis:

By providing no parking on both sides of Stewart Ave I feel we will allow for the safe maneuverability of both the fire apparatus and buses that travel this road on a daily basis.

Recommendation:

Request "No Parking" along the west side of Stewart Ave from 19th Street south 500 linear feet and maintain the no parking along the East side of Stewart Ave.
