Dear Mr. Moore,

Sprint Nextel ("Sprint") consents to the proposed Lawrence Freenet antenna installation per the Radio Installation Proposal dated December 22, 2006 subject to the conditions noted below:

1. This consent shall not constitute a waiver of any rights Sprint has under any other existing agreements with any third party in the event that Lawrence Freenet's facilities interfere with Sprint's pre-existing facilities.
2. Lawrence Freenet is responsible for assuring compliance of its facilities with all governmental rules and regulations including, but not limited to, all applicable rules and regulations of the FCC and/or FAA.
3. Any changes made to the approved installation proposal referenced above must be resubmitted to Sprint prior to construction.
4. Lawrence Freenet shall protect-in-place and shall avoid direct contact with Sprint's equipment, coax cables, antennas, etc. during construction.
5. Lawrence Freenet shall furnish to Sprint one (1) set of "as-built" drawings, including any permitted field notes, as soon as practical, upon completion of construction.
6. This approval is conditional upon a fully executed Lease Agreement between Sprint and Lawrence Freenet.

If you have any questions please contact me at 800-357-7641.

Sincerely,
