Subject: No parking request

I am requesting no parking signs be placed along the south side of University Drive from Brittany Place to Crestline Drive. I represent the owners of the property on the south side of the street where the no parking signs would be placed. Currently, with vehicles parked on both the north and south side of the street, buses and fire engines have a very difficult time making the turn at Crestline and University Drive. Designating this as a no parking area would improve traffic flow and fire safety. Thank you for your consideration.
