Dear Mr. Uddin,

I want to thank you for your assistance with our CVS project at 23rd & Iowa.

For 20 years I have worked with various public agencies including cities, counties, DOT's, etc. I found the City of Lawrence, and specifically you, rank among the very best with which I've worked. I appreciate your follow up related to the access agreement at our site and your assistance in navigating through the KDOT approval.

I look forward to working with the City of Lawrence and you in the future.

Sincerely,

John G. Damrath III
Managing Director of Development – Midwest
