

## YOU ARE INVITED!

The Kansas Department of Transportation has been working with local officials regarding a bridge replacement along 23rd Street/K-10 between Haskell Avenue and Barker Avenue.

Please join us for an open house public meeting to review design alternatives and give us your thoughts about improvements within the project area.

The public is welcome to stop by anytime between 4:30 pm and 6:30 pm to talk with team members. No formal presentations will be given.
