

On Saturday, April 26, 2008, the City's Waste Reduction & Recycling Division hosted the first Electronic Recycling Event in Lawrence. The event was held from 9:00 a.m. to 1:00 p.m. at the University of Kansas Lied Center parking lot located at 1600 Stewart Drive.

This event was co-sponsored by Hamm Waste Services.

Electronic recycling was provided by Asset LifeCycle, a permitted e-waste recycling and reclamation facility in the State of Kansas.

Event Summary:

- 676 vehicles participated representing 633 residences and 89 businesses.
- A total of 60,051 pounds of computer monitors, printers, copiers, televisions and other electronics were collected for recycling.
- 582 computer monitors and 223 televisions were collected for recycling in addition to other electronics.
