Hi Charles,

We are planning a street performers festival for the weekend of August 22nd, 23rd & 24th. One of the areas that we would like to stage performers is on 8th Street between Massachusetts and the alley. That area will feature jugglers, magicians and fire eaters on Saturday afternoon/evening from 2:00 p.m. to 11:00 p.m.

The Use of Right-of-Way permit application requires that we obtain permission from adjacent property owners/lessees. Would Central National be agreeable to this arrangement?
