PLANNING & DEVELOPMENT SERVICES

Homeless Facilities & Services

Regular Agenda Item #4; TA-04-03-08

Homelessness in Lawrence

- 373 homeless persons, of which:
 - 79 families with 111 children
 - 32 chronically homeless

CCH Finding

There are no immediate, short term housing options for families with children.

CCH Vision

- The need?
 - 1 emergency shelter serving 75 individuals.
 - 100 new emergency temporary housing units for homeless families with children.
 - 35 new transitional housing units (in addition to 50 existing units) for homeless individuals and families.
- Supportive services are recognized as critical aspects of each shelter/housing option.
- Family Promise would be only organization providing shelter for homeless families with children in Lawrence.

Research Results

- Many cities regulations:
 - Identify several homeless facility use categories.
 - Prescribe standards to such uses with greatest impact.
 - Require special use permits for uses with greatest impact.
 - Limit the concentration of such uses in any one neighborhood.
 - Distinguish uses by size/impact.

Public Comment

- Critical of process and public input
- Concerns that code language would force the concentration of homeless facilities in one neighborhood or area of community.
- Concerns about permitting Type A Homeless Day Centers in residential zoning districts.
 - SUP, standards, and management plan required.
- Concerns about permitting Type A Homeless Shelters in residential zoning districts accessory to public or civic uses.
 - Permitting as accessory only to religious institutions
 - SUP requirement
 - Registration requirement
 - Time limitation

Action Requested

- Defer item pursuant to schedule outlined in staff memo.

Recommended Schedule

- 1) Receive public comment through August 27.
- 2) Revise language per public comments and present draft to CCH for their September 9 public meeting.
- 3) Revise language, if necessary, per CCH comments and present draft to Planning Commission at their September meeting for consideration and recommendation to City Commission.
- 4) Forward Planning Commission recommendation to City Commission for consideration in mid October.
