Victor Torres
City of Lawrence
PO Box 708
Lawrence, KS 66044

Dear Victor:

The United Way has a request for temporary signs to bring to your attention, all in relationship to our annual campaign. We are asking for these signs to be considered "signs of community interest."

The United Way wishes to display banners which say "United Way Helps Here" at 15 of our member agency locations. We would like to begin displaying the signs on September 17 and continue through the United Way campaign until November 14.

The vinyl banners are 6 ft. by 3 ft., and displayed on the outside of United Way agencies. See the attachment for a list of the locations.

The purpose of this effort is to educate the general public about where United Way funded services are located in the community and also to call attention to the United Way campaign while it is in progress.

Thank you very much for your consideration of this request. If you have additional questions or concerns, please call me.

Sincerely,

Colleen Z. Gregoire
Campaign and Communications Manager
