RE: 123 W. 8th Street

Dear Mr. Corliss,

We have submitted a Site Plan to the City of Lawrence Planning Department for the property at 123 W. 8th street. As discussed previously we are requesting the usage of 8 public parking spaces, as shown on our site plan, for construction staging. We would like to utilize this space for 9 months from the date of approval of the Site plan. Please let me know if you need any additional information for evaluation of this request.

Sincerely,

Brian Kemp
