

construction communications

Re: The Building of America – Community Service Award

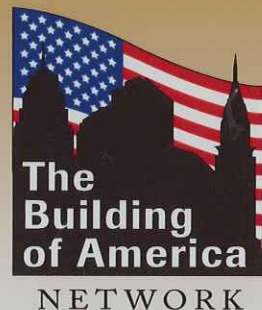

We would like to congratulate your company for contributing to the success of one of the decades most innovative and unique new construction projects.

Construction Communications is the nation's leader in providing regional publications, marketing tools and corporate visibility programs for the design and construction industry. We wish you continued success and hope to help your company with your future marketing endeavors. If you have any questions or comments on how we can be of service to your company, please let me know.

Sincerely,

Stacey Nathanson
Manager of Operations
