**RE:** CPA-2004-02; Comprehensive Plan Amendment to Horizon 2020, Chapter 7: Industrial and Employment Related Land Use.

On the February 10, 2009 City Commission agenda there is an item for consideration of adopting on second and final reading a Joint City Ordinance No. 8283/County Resolution No. \_\_\_\_, for Comprehensive Plan Amendment (CPA-2004-02) to Horizon 2020, Chapter 7. This item was adopted on first reading by the City Commission at their January 20<sup>th</sup>, 2009 meeting.

The Board of County Commissioners originally considered this item at their November 12, 2008 meeting where they approved CPA-2004-02 and adopted the County Resolution 08-50 by a 3-0 vote. The Board of County Commissioners has since adopted Resolution 09-02 at their January 26, 2009 meeting, which repeals the previous resolution (08-50) and rescinds the November 12, 2008 vote that they had taken on the item.

The Board of County Commissioners is looking to resolve this item and has indicated that they may wish to make some minor changes. They have scheduled it for a public hearing at their March 4, 2009 meeting.

Based on Commission discussion, the Commission has the following options available for action:

1. Adopt Joint Ordinance No. 8283/ County Resolution No.\_\_\_\_ on second and final reading, approving CPA-2004-02, the Planning Commission's recommended version.
2. Defer action on this item until after the Board of County Commissioners considers this item at their March 4, 2009 meeting.
