Mr. Corliss:

The Douglas County Extension Master Gardeners' 2009 garden tour is being held on the weekend of June 6-7. This is our primary fund raiser to support the Master Gardener program here in Lawrence and Douglas County. The Master Gardener program is a volunteer program whose mission is to educate the public in all aspects of gardening.

We wish to place signs in the right-of-way at certain locations in Lawrence to direct the public to the host gardens and programs presented there. I understand permission is required by the City Commission in order to do this. The signs would be placed after 5PM on June 5 and removed Sunday evening June 7. I have enclosed a map of the locations and have listed those locations below.

- 23rd and Harper
- 19th and Harper
- 23rd and Louisiana
- Greever and Louisiana
- 21st and Louisiana
- 21st and Owens Lane

Please contact me if you need more information.
