Subject: FW: LTA June 2009 Luncheon - SAVE THE DATE!!

Dear Mayor, City Manager and City Commissioners:

The Lawrence Technology Association would like you to be our guest at our next luncheon, Thursday, June 18th at 11:30 a.m. at Jade Mongolian BBQ.

The success of the small business owner in our community is very critical to the economic renewal of our country. At our next luncheon, we will focus our attention on what the needs of these local small businesses are and how we as a community can help them become more successful. We would like for you to attend, listen to their comments, and possibly provide feedback to their questions and suggestions. We feel that this is a wonderful opportunity to introduce you to our association and for you and our members to develop a stronger relationship. In order to make the best use of time, we will ask that our attendees to forward us their questions and ideas that they might have prior to the event. We will be inviting our County commissioners to take part in this forum as well.

Please let me know if you are available to take part in this forum by this Monday, June 8th. Should you have further questions, please contact me at the number below.

Kind regards,

Kerri
