We are so excited. Celebrating twenty wonderful years in beautiful downtown Lawrence, Kansas has been great.

We would like to celebrate with a concert on the Street. Mark Valentine and the Number Ones will be performing a live concert featuring our favorite dance and float songs. We will have a stage set up on the east end of 8th street. This event will be free and open to the public.

This event will be family friendly. The Sandbar will be extending its service area in front of the building by 10 feet. There will be no alcohol outside that area.

Time: Street closing at 5 pm, August 1

Concert will begin at 8 pm

Street will be cleaned and opened up again by the close of business that evening.

Thank you for supporting our event and being such great neighbors
