City Manager

Dear David Corliss,

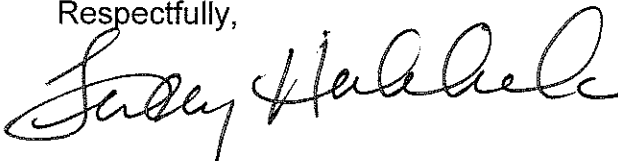

Please find enclosed the letter of which we spoke on May 29th, 2009. Please sign both copies but return only 1 copy to me. My address is 1300 S.E. 8th Street, Bentonville, AR 72716-0605.

The baler will be purchased from J.V. Manufacturing. Please contact Terry Coffee at 479-725-2748 or e-mail him at tcoffee@jv.com to arrange payment for the baler and installation. Terry will arrange for the transportation and installation but will need a PO for payment. Once payment arrangements and installation dates have been determined please contact me so we can make sure all is in readiness for the new balers arrival.

I want to express my sincere appreciation for the cooperation and working partnership between the City of Lawrence and Wal-Mart in regards to the Eco Center. I know that changes that we are implementing will help to keep the center a viable part of the Lawrence Community for years to come.
