## EAGLE BEND GOLF COURSE

1250 E 902 RD  
LAWRENCE, KS 66047

### EAGLE BEND IS THE FIRST GOLF COURSE OWNED AND OPERATED BY THE CITY OF LAWRENCE PARKS AND RECREATION DEPARTMENT.

The first six holes on the course are open with no trees. The remaining holes are heavily wooded and sit in the shadow of the Wakarusa River.

As a member of the Audubon Cooperative Sanctuary program for golf courses, Eagle Bend is dedicated to continuing the preservation of the environment and habitat of wildlife. Much wildlife inhabits the course's surrounding areas, including the bald eagle, which played a major role in the naming of the course. During its construction, bald eagle sightings were plentiful and can still be seen in the fall and early spring.

Eagle Bend's amenities include 18 holes of championship golf, a full-service pro shop, snack bar, driving range, a short iron range, practice putting and chipping greens, club repair and custom club fitting and golf instruction by PGA professionals.
