FROM: Scott McCullough, Director

CC: Cynthia Boecker, Assistant City Manager
Diane Stoddard, Assistant City Manager

Date: November 5, 2009

RE: Wesleyan Church Annexation and Rezoning Requests

The packets for the annexation and rezoning requests proposed by Wesleyan Church for a property located at 31st Street and Kasold Drive are being presented to the City Commission for consideration and action; however, the ordinances and a final annexation agreement, that outlines responsibilities for the city and owner as the property is developed, will be scheduled for a future Commission agenda.
