

Yard Trimmings Collection Sees Record Number of Set Outs this Fall Season

The City picks up yard trimmings which includes grass, leaves and small woody debris from households on Mondays from March through mid-December (weather permitting) except on holidays. On average, the Solid Waste Division picks up 8,500 carts, cans or compostable yard waste paper bags per Monday collection. On Monday, November 9th the crews picked up 35,283 containers.
