To Whom It May Concern:

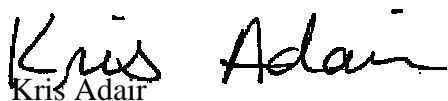

This letter serves as an update on the status of the Lawrence Freenet low income family initiative. For the period from June 1, 2009 to August 30, 2009 the company provided a variety of services to low income families and to the community at large. Our overall ratio of free to paid services was 20% or roughly twice our target ratio.

Included in this service are such local non-profits as Habitat for Humanity, the O'Connell Youth Ranch, Lawrence Community Shelter and Assisted Residential Options just to name a few.

The project also began offering free service to anyone with a cellular phone with a 785 area code. This allowed several thousand more users to access the Internet free of charge.

Sincerely,

Kris Adair
