

NOTICE OF PUBLIC MEETING

What: Iowa Street, Yale Road to Irving Hill Road Overpass
When: 6:00 – 7:00 p.m. Monday, March 29, 2010
Where: Fire Station #5, 1911 Stewart Avenue, Lawrence, KS

Due to the extremely harsh winter the condition of Iowa Street (US 59) between Yale Road and Irving Hill Road Overpass has significantly deteriorated. The City is currently undertaking a major repair and patching project to resolve the unacceptable road conditions.

The City is exploring various long term solutions to improve the pavement condition on this section of Iowa. City staff will conduct a public meeting to discuss possible long term improvements, including adding a center turn lane on Iowa Street. Public comment on the proposed project is vital at this point in the discussion. If you are unable to attend please send your comments or questions to: suddin@ci.lawrence.ks.us or call (785) 832-3123.

Sincerely,

Shoeb M. Uddin
Shoeb M. Uddin, P.E.
City Engineer
