To whom it may concern,

My name is Jeremy Furse and I have been a business owner in downtown for the past 26 years, I would like to place a matter on the agenda for the next meeting of the Lawrence City Council on March 30th. I would like to present a petition calling for the repeal of the recently reenacted Habitual Violator provision to the overtime parking ordinance. I and a majority of downtown business owners and employeecs feel that this provision is far to punitive and detrimental to the businesses located in the downtown area.

Sincerely,

Jeremy P. Furse
