Hi Jonathan – the signs are 22inches by 14 inches. Yes – I would anticipate I will have volunteers take the signs down the day of the walk, the day after at the latest.

Let me know if you have any other questions.

Thanks!
Kris

Hi Kris – How big are the signs? Would it be correct to assume that you will take down the signs the day after the event?

Subject: Walk MS: Lawrence

Hi Jonathan,

Thanks so much for your time this afternoon. I'm writing to request approval by the City Commission to allow Walk MS promotional signs in the city of Lawrence. Lawrence will host one of our 23 Walk events on April 10 at Sunflower Elementary School. We are anticipating 200 Walkers and are hopeful more community members will also participate. Many local businesses are generously donating food and water for our walkers. Signs will be placed close to the University of Kansas, in addition to these general areas:

- 23rd and Iowa
- 6th and Main
- 23rd and Massachusetts
- 12th and Mass (South Park)
- 9th and Kentucky
- 6th and Vermont (Watson Park)

Our Walks are a significant fundraiser for our organization. This event helps fund programs and services for the over 40,000 individuals effected by Multiple Sclerosis in our area alone. Thank you for consideration of this request and don't hesitate to contact me with additional questions.

Best regards,

Kris Rauh
