Hi Jane,

We, as building owners, have no objections. I am assuming you will be contacting the businesses that are affected including ones that are in our buildings – Encore Restaurant, Pita Pit, Pyramid Pizza and Granada. The Masonic Building owners have no objections. Thanks.

Let me know when your schedule will permit an opportunity for me to have a tour of the Temple. I'm in no rush.

Dear Jane

Thanks for the e-mail and the opportunity to voice.

Unfortunately, I would have to protest this street closure. Thursday is Crandon and Crandon's busiest workday (along with Tues), as we are open 8.30 to 7 or 7.30 pm. We have a constant flow of patients in and out of the front door. This would have an impact on the communications with the front desk, not to mention parking. On days with a parade we are able to deal with things as it usually is only an hour or two. But this sounds like it would encompass our entire workday. I realize patients could park in back but it would be the noise in front that would be my concern. Thanks for the innovative ideas for downtown. I just wish we could put this on a side street versus Mass st.

Keep me posted.

Thank you

Brent Crandon, O.D.
