Good afternoon Jonathan,

During a conversation with Scott Miller last Friday, he indicated to me that you have been working on the petition submitted 2 weeks ago for an amendment to the street sales in downtown Lawrence.

My friend and future business partner Alejandro Lule have been studying the possibility of starting a concession business down town. Now, that this college students asked the city comission for an amendement, we will like to be included if possible. The difference is that we will like to have a self-contained cocession trailer with kitchen, counter, and sinks.

Please consider this e-mail and the attached letter as an intent to be included in said amended ordinance/permit.

Please e-mail or call me if you have any questions or concerns. If you have any questions for my partner he can be reached at: (785) 691-6859

We thank you for your time.
