

energy-efficient

This Old ^ House

A community forum on sustainability and historic preservation

**Thursday,
November 11th**

7:00-8:30 PM

Lawrence Union Pacific
Depot
402 N. 2nd Street

What do sustainability and
historic preservation have in common?

How can we “go green” by preserving
our existing buildings?

How can you save money and energy
in your historic home?

Which federal and state programs
can help with your project?

**Come hear from a panel
of experts on:**

- ⇒ Sustainability
- ⇒ Historic Preservation
- ⇒ Energy Audits
- ⇒ State Energy Efficiency
Programs
