ITEM NO. 2:

Consider request to establish NO PARKING along the west side of Sawgrass Drive from 26th Terrace, north to the cul-de-sac.

David Woosley presented the information provided in the staff report.

Commissioner Boley asked how many parking spaces were available on the east side of the street; Woosley advised that there were probably not more than a half dozen.

Commissioner Woods asked why it wasn't extended all the way to 27th Street; Woosley advised that the problem appeared to be with one household in the subject area.

Commissioner Harden asked if the Commission could act on more than the request; Woosley advised they could not.

Public comment:

    None.

MOTION BY COMMISSIONER WOODS, SECONDED BY COMMISSIONER ROTHROCK, TO RECOMMEND DENYING THE REQUEST TO ESTABLISH NO PARKING ALONG THE WEST SIDE OF SAWGRASS DRIVE FROM 26TH TERRACE, NORTH TO THE CUL-DE-SAC; THE MOTION CARRIED 7-0.

Subject: Accident hazard

To Whom It May Concern:

My wife and I have lived at 2616 Sawgrass Drive here in Lawrence for five years now, and in the course of that time we have backed in to cars that are parked across the street from our driveway. We, along with other residents believe that the street is too narrow for parking on the west side opposite the driveways on the east. We have placed courteous notes on peoples cars asking them to refrain from parking to no avail.

If you could please have your committee to review this accident hazard, we would certainly appreciate it.

We look forward to your consideration and your reply hereto.
