Dear Mr. Corliss:

Black Hills Energy cordially invites you, the city commission, assistant city managers, city clerk, city finance director, public works director, fire chief and city attorney to join us for a luncheon meeting at Pachamama's on Wednesday, December 1. We'll begin at 12:00 noon and end no later than 1:30 p.m.

We have also extended invitations to chamber and economic development representatives.

Steve Hanna, business operations manager for KS gas operations, will provide an update on our corporate, state and local operations. In addition to our local management team, representatives from other departments will also attend the meeting, including economic development and external affairs.

We believe the information will be of interest to the city and hope everyone can join us. In order to properly plan for the meeting, I will contact your office on November 23 for the number of city attendees.

Sincerely,

Larissa Long
