Dear Mayor Amyx and Commissioners:

With reference to the Planning and Development Services letter of August 9, 2010 section for 944 Kentucky/214 West 10<sup>th</sup> Street (SUP-10-10-09), Item 2, this is to submit the second quarterly report regarding the status of fundraising and construction progress for the Lawrence Community Shelter's new permanent facility.

**Fundraising progress:** The capital campaign steering committee is pleased to report that the plan for fundraising is on target. To date, nearly three-quarters of the \$3,000,000 goal has been raised and the schedule has been set to raise the remaining funds within the next twelve months or less.

**Construction progress:** Since the funds have not been raised completely, construction has not begun but the current timeline for construction, subject to change, and changed from the first report, is as follows:

Final drawings completed	April 5, 2011
Bidding and permit process completed	April 26, 2011
Construction/renovation completed	October 31, 2011

Very truly yours,

Loring Henderson  
Director
