To whom it may concern:

Downtown Lawrence, Inc. is happy to support Health Care Access in its plans for the Kansas Half-Marathon on Sunday, April 17<sup>th</sup>.

Our members have been informed that part of the course will take runners through downtown – specifically on 8<sup>th</sup>, Massachusetts and 11<sup>th</sup> Streets, between 7:30 and 9:30 am that day – necessitating street closures. We have no objections to this.

Thanks very much.

Sincerely,

---

Cathy Hamilton, Executive director  
Downtown Lawrence, Inc.
