

INDOOR SOCCER LEAGUE COMES TO A CLOSE

Lawrence Parks and Recreation Department's Indoor Soccer (Futsal) leagues recently completed their seasons. The leagues were open to children in kindergarten through 6th grade.

The leagues are designed to provide the opportunity for children to play soccer in an organized and competitive, recreational setting. The kids learned the basic skills and fundamentals of soccer, as well as fair play, teamwork and sportsmanship.

There were 44 total teams and more than 340 participants.

It is designed to teach the fundamentals, skills and rules needed for school team competition. Teams were formed based on the school they attended.

There were 140 boys participating on 14 teams and 60 girls on 6 teams.

JUNIOR HIGH INTRAMURAL BASKETBALL PROGRAM CONCLUDES

Lawrence Parks and Recreation /Lawrence Public Schools girls and boys junior high intramural basketball program completed their seasons.

Parks and Recreation began overseeing the program a few years ago on the request of the schools. The program began in mid-January and runs through mid-March and is open to both seventh grade girls and boys.
