We are promoting this as a community wide event. We love this city. We are here to serve this city. Here is a link to the website for the event. Check it out. All of the videos on this website will feature local businesses and areas. Our mission as a church is to reach this city.

The signs will only have the url address on them, "freelovelawrence.com". The signs will be 24" wide by 6" tall. They will be black signs with white text. I would be more than happy to bring you one of the signs if that would help. Let me know if you need anything else.

Thank you!
