DISCOUNTED PRICES (REVISED 4-25-11)

[illegible]

Products produced per ASTM C-76, C-506, C-507, & C-1433.

GRAND TOTAL:	\$21,207.68
--------------	-------------

Price includes necessary joint maslic or gaskets (our count) Additional maslic is \$15 per 65 lb. pail.

A \$160 drop charge will be added on less than truck load quantities shipped. A 15% charge for restocking and handling will be added for pipe returned to the yard. An additional 10% will be added if we are required to pick up pipe from jobsite. The above take-off quantities are approximate and are not guaranteed correct. Any changes are the buyer's responsibility. The above prices are F.O.B. as near to the job site as reasonable for Kansas City metro area deliveries. Additional shipping may be charged on out of town deliveries.

Purchase and receipt of any or all of the quoted items, subjects the buyer to our standard terms and conditions on the reverse side.

ALL PRICES GOOD FOR 30 DAYS

ACCEPTANCE:

Subject to being awarded the contract for the project described above and subject to the terms and conditions on the reverse side hereof, we hereby order the products described herein at the unit prices quoted above.
