Hi Jonathan,

We got word this morning about another conflict with the 2nd date that we picked for the Nash Dash & Bash, so I apologize for doing this to you, but we need to change the date and time of our request. (The 3rd times a charm, I'm sure of it!)

We would now like the permission to close the street on Sunday, October 9, 2011 from 3am-5pm.

Would you like for me to submit a new letter of request.

Thanks for your help,

Cindy

Subject: Agenda/Bert Nash Dash and Bash

Jonathan,

Our leadership team for the Bert Nash Dash & Bash has been working on details for the planned event on Saturday, October 29, 2011. In recent weeks I've had several potential sponsors contact me regarding sponsorship opportunities and other details. In an effort to move forward with the logistics of the event, could I respectfully request that our request for permission to close the street be placed on the City Commission agenda for Tuesday, May 10th or as soon thereafter as possible? We would really appreciate this so that we may move forward with finalizing the details of the event.

In light of anticipated budget cuts, this fundraising event is going to be vital to our organization and the programs and services we provide in the community.

Please let me know if you have questions. Thank you for your time and consideration.

Respectfully,

Cindy Hart
