Subject: Signs of Community Interest

Mr. Douglass:

The Douglas County Extension Master Gardeners' 2011 garden tour is being held on the weekend of June 4-5. This is our primary fund raiser to support the Master Gardener program here in Douglas County. The Master Gardener program is a volunteer program whose mission is to educate the public in all aspects of gardening.

We wish to place signs in the right-of-way at certain locations in Lawrence to direct the public to the host gardens and programs presented there. I understand permission is required by the City Commission in order to do this. The signs would be placed after 5PM on June 3 and removed Sunday evening June 5.

Locations are listed below:

- 23rd and Harper
- 6th and Kasold
- Kasold and Creekwood Dr.
- Creekwood Dr. and Woodgate Place
- 23rd and E 1600 Road (O'Connell)
- E 1600 Road and E 26th Terrace
- 23rd and Massachusetts
- 23rd and Louisiana
- 31st and Louisiana
- 23rd and Iowa
- Bob Billings Parkway and Iowa
- Bob Billings Parkway and Wagon Wheel Road
- 6th and Folks Road

I would appreciate it if you would present this to the City Commission for their approval.

Please contact me if you need additional information.

Thank you,
Ed Burrichter
