Emergency Shelter: A short-term facility (90-120 days) used to get people off the street in order to stabilize for movement to better housing options. This option does not include or account for shelters that serve special populations (WTCS, First Step House, etc.).

Emergency Temporary Housing: A parallel alternative to the shelter, where people can obtain immediate housing while awaiting a spot in TH or other longer-term housing, working to address housing barriers.

Transitional Housing: Assisted housing with support services, available for up to two years. Major gap is for people who are precluded from LDCHA due to methamphetamine conviction, sex offender status or other recent drug convictions.

Permanent Supportive Housing: Permanent housing with ongoing support services.

Permanent Housing: Assisted or non-assisted public or private housing with no time limit.
