City Commission of Lawrence
Lawrence, Kansas

Dear Mayor Cromwell and Commissioners:

With reference to the Planning and Development Services letter of August 9, 2010 section for 944 Kentucky/214 West 10th Street (SUP-10-10-09), Item 2, this is to submit the third quarterly report regarding the status of fundraising and construction progress for the Lawrence Community Shelter's new permanent facility.

Fundraising progress: The capital campaign steering committee is pleased to report that the plan for fundraising is on target. To date, nearly three-quarters of the \$3,000,000 goal has been raised through donations or pledges. Due to the recent court decision against the shelter concerning the preferred site for the new permanent facility, fundraising continues but has slowed until a site is confirmed.

Construction progress: Since the funds have not been raised completely and a site for the new facility has not been determined, there is no timeline for construction.

Very truly yours,

Loring Henderson
Director

Mission Statement: The mission of the Lawrence Community Shelter is to provide safe shelter and comprehensive support services and programs that provide a path to a positive future for people experiencing homelessness and people who are at risk of homelessness.
