

TEE OFF WITH DAD KICKS OFF FATHER'S DAY WEEKEND

Parks and Recreation Department hosted *Tee Off with Dad* Thursday, June 16, for its 5th year at Eagle Bend Golf Course and Learning Center.

The event included dinner, an instructional clinic and playing 9-holes of the Junior Bend course at Eagle Bend. The event is a great team-building exercise, benefitting participants and bringing awareness to the game of golf, as well as allowing fathers and their children a time to bond and have a great shared experience.
