

RESOLUTION NO. 6790 \_\_\_\_\_

**A RESOLUTION ESTABLISHING A POLICY OF THE CITY OF LAWRENCE, KANSAS RELATING TO TRANSPORTATION DEVELOPMENT DISTRICTS.**

**WHEREAS**, the City of Lawrence, Kansas (the "City") is committed to the high quality and balanced growth and development of the community while preserving the City's unique character and broadening and diversifying the tax base; and

**WHEREAS**, the economic development goals of the City include the expansion of existing businesses, development of new businesses, economic development activities which are environmentally sound, diversification of the economy, and the creation of quality jobs; and

**WHEREAS**, transportation development districts are an economic development tool established by K.S.A. 12-17,140 et seq. (the "TDD Act") which can assist with the development of transportation projects which can benefit a development and the public; and

**WHEREAS**, the City finds it in the best interest of the public to establish certain policies and guidelines for the consideration of petitions that may be presented to the City by applicants requesting the establishment of a Transportation Development District ("TDD").

**NOW, THEREFORE, THE GOVERNING BODY OF THE CITY OF LAWRENCE, KANSAS DOES HEREBY RESOLVE;**

**NOW, THEREFORE, THE TRANSPORTATION DEVELOPMENT DISTRICT POLICY FOR THE CITY OF LAWRENCE, KANSAS, WILL BE AS FOLLOWS:**

**SECTION ONE: POLICY STATEMENT:** It is the policy of the City to consider the establishment of TDDs in order to promote economic development within the City. An applicant may petition the City to utilize special assessments or a special sales tax to fund the transportation related projects eligible under the TDD statutes. Such projects shall be limited to improvements that are above and beyond what the City would normally require and the use of TDD shall not alter the requirements of the City's Development policy in regard to the requirements of a development to pay for public infrastructure. In considering the establishment of a TDD, the Governing Body shall consider the criteria outlined in Section Two. TDD shall only be used in the following circumstances: 1) pay-as-you-go in situations where the applicant proposes to install all of the public improvements at no cost to the City; or 2) in situations where the City installs all or a portion of the public improvements, and the applicant provides funding

through payments to the City or special assessment benefit districts, pursuant to the City's development policy. ~~The use of TDD should not alter the requirements of the City's Development policy in regard to the requirements of a development to pay for public infrastructure.~~ When establishing a TDD, consideration should be given to pedestrian and public transportation needs.

**SECTION TWO: CRITERIA:** It shall be the policy of the City to create a TDD, if, in the opinion of the Governing Body, it is:

1. is the best interest of the City to do so, and;
2. it is consistent with the Policy Statement in Section One, and;
3. it is in the best interest of the City to do so, and if, in the opinion of the Governing Body, the creation of such a TDD would meet one or more of the following criteria:

4a. Promote and support efforts to redevelop sites within the City.

**SECTION THREE: PROCESS:**

1. An applicant wishing to request the City to create a TDD in the City of Lawrence shall first submit a petition to the City. The petition must be signed by the owners of all of the land within the proposed district and shall include all information required by K.S.A. 12-17,142 and amendments thereto;. In addition to the information required by K.S.A. 12-17, 142, the applicant shall provide evidence in a form satisfactory to the City of the applicant's financial ability to complete the project as proposed. The applicant shall also provide information disclosing the amount of financial commitment the applicant proposes to contribute to the proposed ~~project~~ project, and any other analysis as required under Section Four.f.

2. The petition must meet all of the requirements of the TDD Act and this policy, and must be submitted in sufficient time for staff to follow established procedures for publication of notice, to review the project's site plans, and to analyze the merits of the proposed TDD in the context of existing economic development and infrastructure projects.

3. The applicant shall furnish such additional information as requested by the City in order to clarify the petition or to assist staff or the Governing Body with the evaluation of the petition.

4. The applicant and the Governing Body shall then follow the process set forth in the TDD Act, as amended, for consideration of the petition to create a TDD and creation of a TDD, if appropriate City staff shall make available to the public in a timely manner information summarizing the TDD Act and the process for evaluating a request to create a TDD. The City's process for considering the request to create a TDD will emphasize transparency, while balancing the potential need for some applicant information to remain confidential. Further, the City's process for considering the request for the creation of a TDD shall encourage public participation and comment.

#### **SECTION FOUR: APPLICANT REQUIREMENTS:**

1. 4.—The applicant shall provide a “but for” analysis to the City demonstrating the need for the TDD, and the purpose for which the TDD revenue will be used. The analysis should support that “but for” the TDD, the project will be unable to proceed. The applicant shall provide City Staff with pro forma cash flow analysis and sources and uses of funds in sufficient detail to demonstrate that reasonably available conventional debt and equity financing sources will not fund the entire cost of the project and still provide the applicant a reasonable market rate of return on investment.
