

CALLING ALL LAWRENCE FIRE/MED STATIONS:

WHAT IS IT?

An energy efficiency contest
between the Five Lawrence
Fire/Med stations

WHEN?

June 1 through
September 30

Winner: Station #2!

(slashed their energy use by over 20%)

Total impact of all five stations:

- ✓ EVERY station reduced electricity use!
- ✓ Average use reduction across stations = 10.2%.
- ✓ **Saved 41,720 kWh** of electricity.
- ✓ **Saved \$1,500.**

Avoided **28.8 metric tons of CO₂** emissions, which is the same as:

- Not using 3,225 gallons of gas.
- Planting 738 trees.
- Taking 5 cars off the road.

Rankings: 2nd place Station #3 (18.84%), 3rd place Station #5 (5.24%),
4th place Station #1 (3.98%), 5th place Station #4 (2.75%)
