

DEDICATION HELD FOR NEW PLAYGROUND

A dedication ceremony was held for the new playground along Burroughs Creek Trail. The playground is located at 15th Street and Haskell Avenue.

Donors of the playground were recognized, which included: a major gift by Westar Energy, and donations from Black & Veatch, Electric Corporation of America, Kissick Construction, Wolf Construction, Midwest Concrete Materials, Atlas Surveyors and Hammel Scale. Not only did they provide the funds for the playground, the businesses also had volunteers install the playground with assistance from City Parks and Recreation staff.

Commissioner Hugh Carter provided remarks on behalf of the City of Lawrence.
