

LPRD STAFF ASSIST IN HARVEYVILLE RECOVERY EFFORTS

Parks and Recreation Department Staff Members Rodney Croucher, Horticulture Division field supervisor, and Kenneth Johnston, horticulturist II, assisted with the tornado relief project for Harveyville, Kan., by grinding out stumps Monday and Tuesday, April 2-3. Approximately 100 hours of service was given to this project by participants.

Crystal Miles, Horticulture and Forestry Division manager, and Croucher recently met with Kara Mayer, Wabaunsee County agriculture agent, to inventory 45 stumps from damaged trees from the storm. Using the Wabaunsee County online GIS maps Micah Seybold, GIS coordinator, was able to print large plat maps for LPRD staff to assist in the inventory and underground locate

process.
