Dear Commission Members,

The East Lawrence Neighborhood Association would like to express their support for the proposed public financing initiatives for the “cider building” and the 800 block of Pennsylvania.

Repurposing existing infrastructure, green power, creative place-making, mixed income housing, and neighborhood collaboration should be a model for development for our city and community.

We appreciate immensely the support our city has shown so far for this corner of our neighborhood and would like to express our gratitude. Please feel free to contact with me any questions or concerns.

Sincerely,

Leslie Soden, President
East Lawrence Neighborhood Association
