OVERVIEW OF PROPOSED AMENDMENT

In 2011, as part of the text amendment to create a new industrial district, it was identified that the Truck Stop use should be a separate use from the Gas and Fuel Sales use. In April 2012, the text amendment was approved which included a definition for the Truck Stop use to be permitted with a Special Use Permit (SUP) in the CR (Regional Commercial) District and permitted by right in the IG (General Industrial) District. There was concern at the City Commission meeting regarding the Truck Stop use permitted by right in any district. The possible negative externalities involved with the use was a concern and it was suggested that the SUP process could potentially mitigate the externalities. The City Commission initiated the text amendment on August 28, 2012 to require a SUP for the approval of any Truck Stop use application within the city. To date, no applications have been submitted to develop a truck stop in the city.

CONFORMANCE WITH THE COMPREHENSIVE PLAN

The general goals of the comprehensive plan are to protect the public health, safety and welfare of the residents of the community. Additionally, the plan goals discuss development that is compatible with its surroundings and the community. By requiring a SUP, for the Truck Stop use, the City Commission has the ability to address site issues and potential negative externalities of a proposal.

CRITERIA FOR REVIEW AND DECISION-MAKING

Section 20-1302(f) provides review and decision-making criteria on proposed text amendments. It states that review bodies shall consider at least the following factors:

- 1) Whether the proposed text amendment corrects an error or inconsistency in the Development Code or meets the challenge of a changing condition; and**

This text amendment is a change in condition. With further information regarding the possible negative externalities of a Truck Stop use, it is desired to have the opportunity to place conditions and standards on a proposal in order to address site specific issues.

- 2) Whether the proposed text amendment is consistent with the Comprehensive Plan and the stated purpose of this Development Code (Sec. 20-104).**

The proposed text amendment is consistent with the comprehensive plan goals and proposes a means to protect the health, safety and welfare of the citizens of Lawrence. Additionally, the plan speaks to compatibility of development to the surroundings and the pursuit of quality.
