

## **Transportation Enhancement Project**

### **Bob Billings Parkway Bike Lane Addition (Bike/Pedestrian Category)**

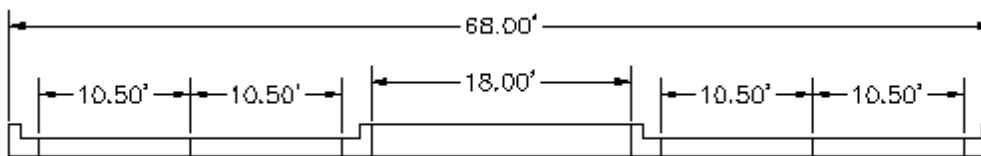

#### **Project Location**

Bob Billings Parkway from Wakarusa Drive to 45' West of Foxfire Road.

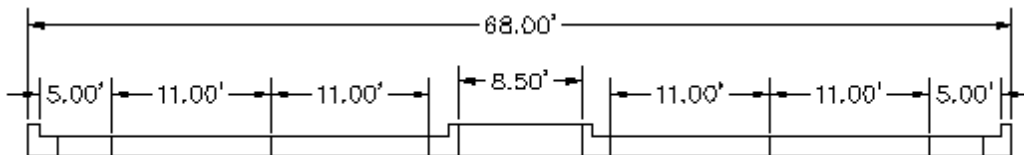

#### **Project Description**

Bike lanes would add connectivity to the west on Bob Billings and to the north and south of Wakarusa. The existing medians would be narrowed to add bike lanes. The project would include new pavement to replace existing median, new curb for proposed median, and new pavement markings. This section of roadway will also be milled and overlaid as part of a 2013 City of Lawrence Project. The current PCI rating of this street is 66.05.
