City Commission  
City of Lawrence KS

Dear David:

The North Lawrence Improvement Association would like to have signs placed stating "Historic Business District" in our community that would help visitors to North Lawrence locate our retail shops and restaurants along Locust Street from North 2<sup>nd</sup> to North 7<sup>th</sup> Streets.

We would like signs placed on the East side of North 2<sup>nd</sup> just before Locust Street and a second sign on the West side of North 2<sup>nd</sup> just before Johnny's Tavern.

Thank you for your consideration.

Sincerely,

Ted Boyle, President  
North Lawrence Improvement Association
